Box No. VIII (iii) DECLARATION: ENTITLEMENT TO CLAIM PRIORITY

The declaration must conform to the standardized wording provided for in Section 213; see Notes to Boxes Nos. VIII, VIII (i) to (v) (in general) and the specific Notes to Box No. VIII (iii). If this Box is not used, this sheet should not be included in the request.

Declaration as to the applicant's entitlement, as at the international filing date, to claim the priority of the earlier application specified below, where the applicant is not the applicant who filed the earlier application or where the applicant's name has changed since the filing of the earlier application (Rules 4.17(iii) and 51bis.1(a)(iii)):

in relation to international patent application no. PCT/GB2003/003192, ROSLIN INSTITUTE (EDINBURGH) and CXR BIOSCIENCES LIMITED are entitled to claim priority of earlier application no. GB 0217402.7 by virtue of the following:

- (ii) CXR BIOSCIENCES LIMITED of James Lindsay Place, Dundee Technopole, Dundee DD1 5JJ, Scotland, GB is entitled as employer of the inventor Charles Roland WOLF
- (ii) BIOTECHNOLOGY AND BIOLOGICAL SCIENCES RESEARCH COUNCIL (BBSRC) of Central Office, Polaris House, North Star Avenue, Swindon SN2 1UH, GB is entitled as employer of the inventors Anthony John CLARK and Christopher Bruce Alexander WHITELAW
- (iv) in an assignment dated 30 September 2002, BBSRC assigned its rights in the invention which is the subject of this international application to ROSLIN INSTITUTE (EDINBURGH).
- (ix) this declaration is made for the purposes of:
- (a) all designations

Box No. VIII (iv) DECLARATION: INVENTORSHIP (only for the purposes of the designation of the United States of America)
The declaration must conform to the following standardized wording provided for in Section 214; see Notes to Boxes Nos. VIII, VIII (i) to (v)
(in general) and the specific Notes to Box No. VIII (iv). If this Box is not used, this sheet should not be included in the request.

thereby declare that I believe I am the original, first and sole (if only one inventor is listed below) protector of the subject matter which is claimed and for which a patent is sought. This declaration is directed to the international application of which it forms a part (if fling declaration with application). This declaration is directed to international application No. PCIT/GB20030003192. (if furnishing declaration pursuant to Rule 26er). It hereby declare that my residence, mailing address, and citizenship are as stated next to my name. It hereby state that I have reviewed and understand the contents of the above-identified international application, including the claims of said application. I have identified in the request of fling any applications, in compliance with PCT Rule 4.10, any claim to foreign priority, and I have identified below, under the heading "Prior Applications," by application on sumber, country or Member of the World Trade Organization, day, month and year of fling, any application for a spellection on which foreign priority is claimed. Prior Applications: GB 0217402.7. It hereby acknowledge the duty to disclose information that is known by me to be material to patentability as defined by 37 C.F.R. § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the PCT international filing date of the prior application and the PCT international filing date of the prior application and the PCT international filing date of the prior application and the PCT international filing date of the prior application and the PCT international filing date of the prior application and the PCT international filing date of the continuation—part applications, material information which became available between the filing date of the prior application and the PCT international filing date of the prior application and the PCT international filing date of the continuation and prior application in the signature	Declaration of inventorship (Rules 4.17(iv) and 51bis.1(a)(iv)) for the purposes of the designation of the United States of America:
This declaration is directed to international application No. PCT/ GB2003/003192	hereby declare that I believe I am the original, first and sole (if only one inventor is listed below) or joint (if more than one inventor s listed below) inventor of the subject matter which is claimed and for which a patent is sought.
In Rule 26ter). I hereby declare that my residence, mailing address, and citizenship are as stated next to my name. I hereby state that I have reviewed and understand the contents of the above-identified international application, including the claims of said application. I have identified in the request of said application, in compliance with PCT Rule 4.10, any claim to foreign priority and I have identified below, under the heading "Prior Applications," by application number, country or Member of the World Trade Organization, day, month and year of filing, any applications, by application and the country other than the United Organization, day, month and year of filing, any application of a spatent or inventor's certificate filed in a country other than the United States of America, including any PCT international application designating at least one country other than the United States of America, having a filing date before that of the application on which foreign priority is claimed. Prior Applications: GB 0217402.7. I hereby sacknowledge the duty to disclose information that is known by me to be material to patentability as defined by 37 C.F.R. § 1.56, including for continuation-in-part application. Continuation of Box No. VIII (i) to (v) DECLARATION

If the space is insufficient in any of Boxes Nos. VIII (i) to (v) to furnish all the information, including in the case where more than two inventors are to be named in Box No. VIII (iv), in such case, write "Continuation of Box No. VIII ..." (indicate the item number of the Box) and furnish the information in the same manner as required for the purposes of the Box in which the space was insufficient. If additional space is needed in respect of two or more declarations, a separate continuation box must be used for each such declaration. If this Box is not used, this sheet should not be included in the request.
